Hi all –

We've addressed most of Darcy's comments and I have started to clean up the paper. Here is what is still outstanding – please review/address by 9am Monday so we can get Darcy a revised/final paper.

Ex. 5 AC/DP

That's it. We are meeting at 12noon Monday to prep for the briefing Wed.

Thanks to all for your hard work on this – hopefully we'll get clarity this week on next steps to be able to start writing more of the response to comment.

I reattached the document so you all have it handy – same link as before.

Subject: Draft paper for RA Dewey Burdock RTC Issues Briefing

Hi all –

Here's the draft paper for our briefing for Greg next Wed 7/1. I've suggested where I think we can abbreviate/consolidate info to cover topics at a higher level for Greg. I left the doc in track changes and included some comments to explain my rationale. Please review to make sure I didn't delete something that you think is critical to cover. If you have other ideas for how to make this more concise, that is welcome, too!

Please review and revise/comment by COB today (Friday 6/26).

Paul and Kimi – since you are off today, please comment first thing Monday so we can get this to Greg that morning.

Darcy is also reviewing and will let us know if there are any issues that she wants to make a decision on and remove from the briefing.

Thanks,
Sarah
